including some with tank insignia from 4 boxcars; and a number of boxes from 1 boxcar. The detrained unit left on trucks toward No hten. On 14 March, a total of 25X1 with escort personnel 24 newly painted trucks were unloaded in Weisswasser from 12 SS-type flatcars, which had arrived from the direction of Cotthus. 25X1 all the motor Comment vehicles observed belong to the 9th Mecz Div which, beginning in 25X1 January, continually held advanced combat practice firing at Weisswasser. Convente presumably light AAA units of the 7th Gds Tank Div and/or 62d AAA Div went to 25X1 Jueterbo; for AA fining practice. The 62d AAA Div is stationed elements of in Kummersdorf. However, the division are believed stationed in Dessau and employed at the 25X1 Elle River bridges.

Comment. The vehicles observed may have come from the U.S.S.R. 25X1 rather than being attached to an internal shipment of troop units.
